Nipples - Stainless Steel

Labfacility are the UK's leading manufacturer of Temperature Sensors, Thermocouple Connectors and associated Temperature Instrumentation and stockings of Thermocouple Cables. The Company has been trading since 1971 and is ISO9001 accredited.

Stainless Steel Plugs and Nipples are essential components in various piping systems, offering reliable sealing and connection solutions.

Their corrosion resistance, durability, and strength make them suitable for demanding environments.

Proper selection, installation, and maintenance ensure effective performance and long-term durability.

Specifications

Specifications

General Description	Nipple in various thread sizes
Material	Stainless steel
Thread	BSPP and BSPT
Sizes	BSPP and BSPT
