|                            |                                         |
|----------------------------|-----------------------------------------|
| <b>Product Code</b>        | XE-3547-001                             |
| <b>General Description</b> | Fast response, welded exposed junction  |
| <b>Sensor Type</b>         | Exposed Junction                        |
| <b>Thermocouple Type</b>   | T                                       |
| <b>Cable Length</b>        | 2M                                      |
| <b>Cable Type</b>          | Teflon® PFA insulated twin-twisted lead |
| <b>Core / Strands</b>      | 1/0.3mm                                 |
| <b>Termination Type</b>    | Bare Tails                              |
| <b>Max. Temperature</b>    | 250°C                                   |
| <b>Min. Temperature</b>    | -75°C                                   |
| <b>Series</b>              | Exposed Junctions                       |
