KAA Terminal Head

Labfacility are the UK's leading manufacturer of Temperature Sensors, Thermocouple Connectors and associated Temperature Instrumentation and stockings of Thermocouple Cables. The Company has been trading since 1971 and is ISO9001 accredited.

Many alternative types of terminal heads are available to meet the requirements of various applications.

Variations exist in size, material, accommodation, resistance to media, resistance to fire or even explosion and in other parameters.

KAA terminal heads are commonly available in silver-painted aluminium, a standard finish that provides durability and a clean appearance for various industrial applications. The material offers good resistance to media and high temperatures.

Specifications

Specifications

Head Type	KAA Terminal Head
Material	Aluminium Silver Painted
Cable Entry	M16
Fixing (Centres)	19mm
Max. Temperature	170°C
IP Rating	IP67 rated
Process Entry	M16
Cap Retaining Type	Hinged Cap with retaining screw
