

# PCB Mounting Thermocouple Connector Socket AM-K-PCB Type K ANSI

**Miniature PCB Socket**  
(dimensions in mm)

**General Description** Versatile, high quality circuit board mounting miniature socket

**Thermocouple Type** K ANSI

**Connector Type** PCB socket

**Connector Size** Miniature

**Colour** Yellow

**Max. Temperature** 220°C

**+Positive Contact** Nickel Chromium

**-Negative Contact** Nickel Alloy

**Standards Met** BS EN 50212:1997. RoHS
